

Lions Youth Entertainer(s)

This project created was in EA in July 2008 - some clubs have got involved at club level in the first two years

Now is the time for ALL Clubs to get behind this competition and get involved.

The MD Youth Committee is assessing this EA idea for expansion across the whole MD –
Let us all show the MD that EA not only comes up with good ideas BUT still LEADS THE WAY for Lionism in Great Britain and Ireland!!

The aim of the competition is to widen the Lions Clubs International Performing Arts competitions to appeal to as wide a range of performing arts orientated young people as possible.
Clubs may just want to get involved with this idea at a local level and not send acts onto Region/District level; if this is the case please let me know so I can find out the penetration of this project across the District.
